

**Week 8 Term 1 2019**

## **NEWSLETTER**

### ***Principal's Report***

The pancake morning tea was well supported this week. The team from *Communities for Children* and *AC Care* generously supplied the ingredients and the toppings. Many thanks to Sue and Adam for cooking the barbecue. We raised \$95.85 for the Smith Family charity. This charity supports disadvantaged Australian families. This is the chosen charity of the late Frank Choate. Frank donated money to Callington Primary School for many years to support Arts education for the students. Each year he funded a trip to the Art gallery and other opportunities for our students. I didn't meet Frank, but local community members speak very fondly of him. Our condolences to his family.

Our six School Captains were announced at our last assembly. After presenting speeches at their respective House Meetings, votes took place to select our leaders. Congratulations to Lydia, Alison, Amber, Hannah, Ruby and Jedd. These leaders will lead their house at the upcoming Sports Day and run our Student Representative Council meetings this year. Our Young Environmental Leaders have also been selected for the year. Congratulations to Tyson, Jett, Cortni and Ilia. These students will attend their first forum next week at the Currency Creek Eco Centre. We look forward to hearing about their new learning.

Interviews are approaching. Please take this opportunity to meet with your child's teacher and discuss how they've settled so far. Developing shared goals for the year and communicating regularly with you is valued by us all. A crèche will be available in the Library/Computer room on the evenings of Tuesday 2<sup>nd</sup> and Wednesday 3<sup>rd</sup> April. Please contact the office to request a time. All families will be notified of a confirmed time and date shortly.

Next term we will be running a *Tuning into Kids* program for families. Tuning into kids is a parenting program that helps children learn to understand and regulate their emotions. It will provide strategies to help children solve problems and help equip them to have greater success with friendships. It will be facilitated by Lyall Willis from CentaCare. It will be after school hours. There will be a crèche available for children and a light dinner will be supplied for all. There is no cost. I strongly recommend we all take this opportunity to attend and all work together to give our children these fundamental skills. More information available soon.

After many years of valuable service to Callington Primary School, our amazingly efficient Finance Officer Simone will be leaving us at the end of the term. Simone has been working across multiple sites for over 9 years, but now has the opportunity to work solely at Bridgewater. We are happy for her, but of course we will be sad to see her go. On behalf of the school community, thank you Simone for your support of Callington and we wish you well for the next chapter. Sarah will be stepping up to Finance Officer/Administration and will be learning 'the ropes' from Simone over the next few weeks.

If you would like to discuss any matter regarding your child's education, please send me an email to [Paul.Jude460@schools.sa.edu.au](mailto:Paul.Jude460@schools.sa.edu.au) or make an appointment through Sarah / Simone at the office.

Kind regards,  
Paul Jude  
Principal

## Krispy Kreme Fundraiser

Dear Families

An order form is included with today's newsletter for each family for a Krispy Kreme fundraiser, to help raise funds for the new **Callington Community Recreation Centre**.

Please pass around the order form to family and friends as they may wish to put an order in. All orders with correct payment can be left at the school office until 9am Friday 5th April for delivery on the 12th April (a treat after sports day perhaps). All orders need to be collected from the current Callington clubrooms Friday 12th April from 2pm—8 pm.

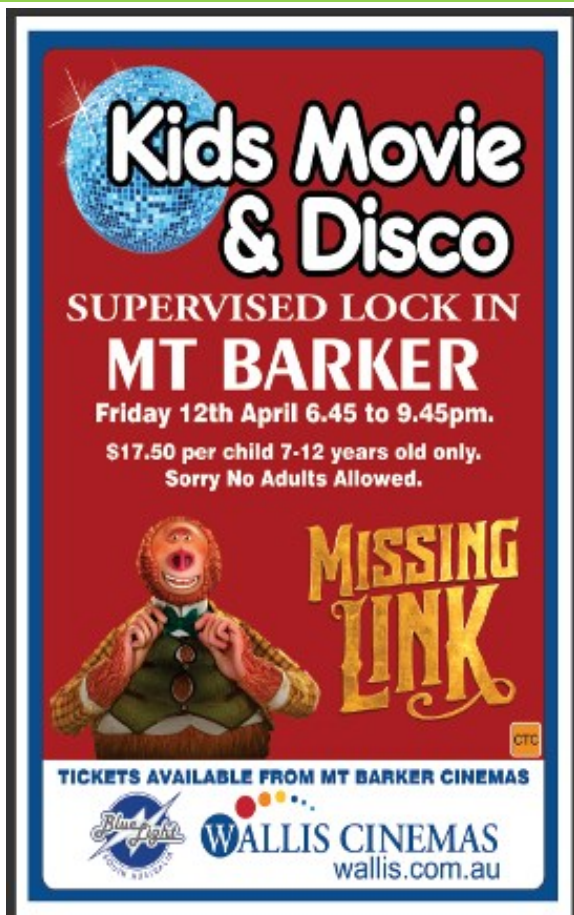

The Callington Primary School is very supportive of seeing the new recreation centre go ahead and every dollar counts so please get behind this local fundraiser and buy some doughnuts.

**Please note, no late orders can be accepted.**

Thanking you in anticipation.

## 5/6/7 Excursion to Parliament House

I liked the excursion. It was very fun to see parliament house and Adrian Pederick. When we had finished at the parliament house, we got to have ice cream at McDonald's.—Amber

The excursion was fun and full of learning. Adrian Pederick was kind and gave us an exciting tour. When we had the fake voting session, I learnt how that all worked.—Alison

Going to Parliament House was fun. Especially seeing and sitting in the red and green houses. At the end we did a fake voting on homework that was fun.—Cortni

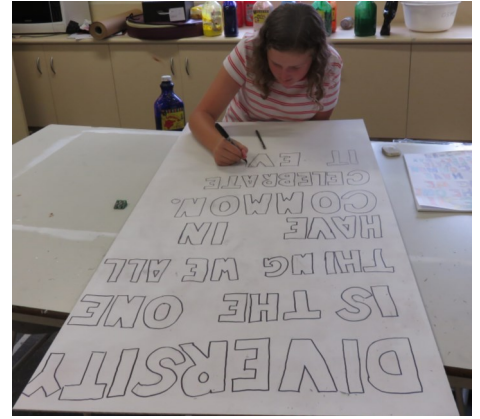

I liked the building and the comfy chairs. I also liked the red and green houses where we made a law—no homework. My side won! Yay! I liked having ice cream after and having fun in the car.—Jett.
