Newsletter Term 2 Week 2, 2021

Principal's report

Welcome back- Welcome to Term 2. A special welcome to Joshua, who has started in the R/1 class this term. We trust he and his family enjoy their experience whilst at Callington Primary School. A warm welcome also to Jo Hallam, who has commenced some volunteer work at our school. Jo used to be the cleaner here some years ago, so she knows the buildings well! Welcome to Callington Jo.

R/1 Changes – Our R/1 teacher, Jayne Lawson became a Mum on the weekend. Her daughter and her are doing well. Congratulations Jayne! This has happened a little sooner than expected, but we have a plan in place to provide a smooth transition for the children. Megan Hoad and Rachel Beurskens will be sharing the teaching of the R/1 class for the remainder of the year. Megan will be here three days a week and Rachel the other two. Elisha, one of our amazing SSOs, will be continuing to support that class and will help to provide a smooth transition for the children.

OSHC survey- On behalf of the OSHC Steering Committee, thanks for your participation in the survey. The committee will now collate the results and prepare a summary for the Governing Council. We will keep the school community informed as this feasibility process continues. Special thanks to Luci Bayly who has taken the lead with this.

Friday lunch orders- Please ensure orders are placed on Thursdays at the latest. Jacob has kindly asked that no orders are made to the Kanmantoo General Store on Friday mornings. Also, if you have ordered lunch for your child and they are then absent from school on the Friday, please arrange with the Kanmantoo General Store directly for the order to be cancelled. Thanks for your cooperation with these requests.

Planner – The Term 2 planner accompanies this newsletter. Please keep it handy and updated as the term progresses.

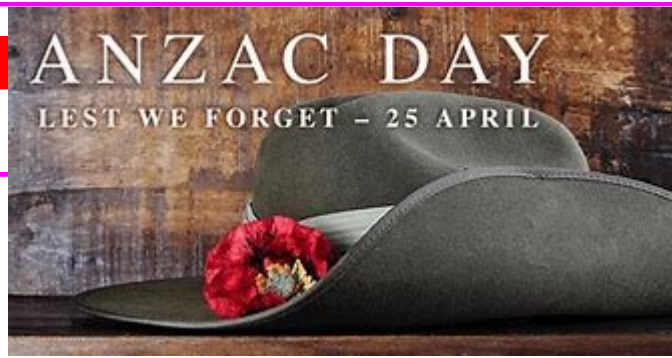

Where are they now? Mary-Jane August attended Callington Kindergarten and Primary School a number of years ago. She completed secondary schooling, including Year 12, at Eastern Fleurieu School. During her work experience she was offered an apprenticeship at “A Cut in Time” hairdressers in Strathalbyn. She went on to do her four years training and is now a qualified, professional hairdresser. On top of hair dressing, she got a part-time job working at Cotton On in Murray Bridge. She is now the Manager of Cotton On in Murray Bridge and does hairdressing part time. Mary has some fond memories of Callington Primary School and formed many long lasting friendships from her time at Primary School.

Where are they now? – A reminder that if you know of a past student who would be happy for their story to be told, please send some information and a photo if possible.

If you would like to discuss any matter regarding your child's education, please send me an email or make an appointment through Sarah/Kate in the school office. Kind regards,

Paul Jude
Paul.jude460@schools.sa.edu.au

Thank you to our Callington Primary Students who laid the wreath in honour of those that had fought for our freedom.

COVID-19 Update

The Department for Education has provided us with the following update re COVID-19:-

All adults, including staff and parents, are expected to COVID Safe Check-in when entering classrooms/buildings on site. It is not necessary to check-in at the school gate to enter school grounds. Paper recording sheets are available for people to complete in the office if visitors don't have smart phones. The 'check-in' process is extremely important to quickly and accurately respond to new cases and hotspots. Please note that this doesn't replace your normal visitor sign-in process. All visitors (including parents), should continue to sign in at the office on arrival.
