Principal's report

Callington Show – What an incredible day on Sunday! The weather was perfect and the organisers had done a wonderful job preparing for the special event. Our bacon and egg sandwiches and sausage sizzle was very popular, so much so that we sold out of all our stock. Warm conditions meant we sold out of cold drinks too. We received some generous donations from Kanmantoo Bacon, The General@Cally, Woolworths Mount Barker, McCue's bakery and Delta Produce. These donations allowed us to raise in excess of \$3000 to support the learning and opportunities for our students. Please continue to support the businesses who support us. Many thanks to all the Parents/Carers and Staff who helped in many and various ways in the lead up to the show, on Saturday, Sunday and after the event. What a team! We hope families were able to see some of the school work that students had entered. There were art pieces, drawings, poetry, stories, sculptures, colouring competition entries and more. Some of our students won ribbons. These will be celebrated and presented at the assembly. Our R/1 students took part in two songs with legendary children's performer, Peter Coombe. It was terrific to hear the classic songs Newspaper Mama and Mr Clicketty Cane playing at school again!

Some of our students took part in a percussion performance, including using a Thong-a-phone. We have been loaned the Thong-a-phone for the rest of the term. Bring along your Havaianas and have a go!

Play sharing – In lieu of no concert this year, our students prepared, performed and filmed some short plays. Some Parents/Carers came to enjoy the show at the Callington Hall after school last week. The students had done a great job, we had a few good laughs and something bad happened.....(a joke for the attendees!)

Lunch order arrangements 2022 - The survey has closed and the Governing Council has considered the results. The consensus is that the 'CallyEats' lunch heating service we offer 3 days a week is enough of a service to families. Therefore we will move away from weekly lunch orders on a Friday in 2022. This was by no means a reflection of dissatisfaction with either service. There may be some occasional 'special lunch days', but we will provide information about that next year. Friday lunch orders will continue as they are for the remainder of the term through The General@Cally.

School Magazine – An order form went out this week for this year's magazine. This is a valuable keepsake for all students/families. Magazines are \$10 and orders close on 19/11. Year 6/7 students will get a complimentary copy as part of their graduation gift.

Milk Bottle regatta – As part of STEM work, our children are once again preparing a boat for the Milang Milk Bottle regatta. If families can collect any plastic 2&3 litre milk bottles (washed), Mr. Ratcliff would be greatly appreciative! They can be sent in to school any time from now.

If you would like to discuss any matter regarding your child's education, please send me an email or make an appointment through Sarah/Kate in the school office.

Kind regards,
Paul Jude

Hello from Jeanette! (Pastoral Care Worker)

What a wonderful day at the Callington Show on the weekend and a great effort by all those who helped with the food stall.

Congratulations also to the students who won prizes for their show entries.

I enjoyed finding them to see who received prizes.

Back at school we are continuing with Well Being lessons in each class.

The Reception/Year 1 class has been focussing on taking care of themselves when they have BIG feelings by remembering to take deep breaths; tightening and relaxing muscles and remembering to relax.

They met a puppet called Koko Koala who is helping to teach the concepts.

Our body gives us clues of how we feel. We experience this by a racing heart, sweaty palms, a red face, shacking knees or butterflies in our tummies.

These things give us those clues which then can be a good reminder to "Remember to relax".

It's also a good idea to find out the things that help your child to relax.

Next newsletter I will list some of the things that help children relax.

Until next time,
Warmly Jeanette

Dates to remember

11/11 Remembrance Day

15/11-19/11 Swimming

19/11 Assembly Volunteer Recognition

Callington Show 2021

Our Sponsors Donated

- 360 Free range eggs
- 210 cans of soft drink
