### Principal's Report

It was pleasing to see so many parents/carers at our annual Acquaintance Night last week. Our teachers enjoyed meeting school families while they shared their class routines and expectations for the year. When not in the classrooms, families gathered by the barbecue and enjoyed the sausage sizzle. Many thanks to our parents and Lyall from Centacare who assisted with the barbecue.

Our Governing Council AGM followed the Acquaintance Night. This was also well attended, with numerous new faces and families represented. We reviewed the 2018 school year through a Chairperson's report, Annual Report, fundraising report and finance summary. Our new *general members* were appointed and our *office holder positions* were elected. The first meeting followed the AGM. There is a lot of energy and enthusiasm for a positive year ahead. Your Governing Council for this year is...

**Chairperson: Kirstie Pym**

**Vice Chairperson: Emma Kerrigan**

**Treasurer: Ros Walker**

**Secretary: Tammy Heinrich**

**General members: Melanie Reiffel, Lisa Kempe, Lauren Salter, Michelle Fowler & Kate Harper.**

We will be involved in Clean Up Australia Day for schools on Friday 1<sup>st</sup> March. In the last lesson, (2:30pm onwards) we will be doing our bit to tidy our school and town oval area.

Our Sporting Schools Volleyball program has commenced. On Fridays for the next few weeks, Lewis and Mr. Czerwinski are taking all the classes for their sessions. If our submissions are successful, we have other opportunities planned for the rest of the year for these Government grants.

We have been focussing on the BREMER value 'Bravery' for the last fortnight. Classes have been talking about how during our learning at school we need to be courageous and face difficult situations to progress. Our value for the next fortnight is Respect.

Providing a safe environment for all students is our primary concern. This extends to arriving and departing from school. We understand life gets busy with families and timelines, however we ask for everyone's cooperation with driving slowly around the school at all times. We will be looking at options to raise the visibility of the school/kindergarten for visiting traffic and liaising with Council around signage. Thank you for your cooperation with ensuring the safety of our young people.

Are you following the CPS Facebook page? Keep up to date and see a lot more of the great things happening at Callington on our page.

Kind regards,  
**Paul Jude**  
**Principal**

**Bravery - Respect - Excellence - Mindfulness - Enthusiasm - Responsibility**

# Year 3/4 Class

Sonny and Ally had some chicks hatch at home and brought them in to show us. They were so soft and cute! The students enjoyed having a hold of the chicks and trying to feed them.

In Literacy lessons we have been learning about how paragraphs are constructed. In this lesson we were working in small groups to identify the key words in non-fiction paragraphs.

In Science we are learning about classifying animals. Here we had to work as a team to sort animal pictures into different groups.

## School Fees

All students were sent home with a school fee invoice in the first week back.

Thank you to those families who have already made a payment towards their account.

If you wish to pay your fees by instalment please complete an 'instalment plan', available from the front office.

Please note fees are to be paid in full by the end of Term 3.
