Principal's Report

Dear Families,

Our concert is nearly here! The children are looking forward to sharing the play *Mystery at Magpie Manor*. Please save the date on your (and family/friends') calendars. **Friday 20th September.** The show will start at 6:00pm at the Callington Hall, with all the stars of the show required a little earlier. Our Governing Council will be holding some 'lucky square' fundraisers on the night with meat trays and amazing prize baskets up for grabs. Please bring along some loose change to support this fundraiser, but most importantly, enjoy the show!

The annual Callington Show is also rapidly approaching. On Sunday 27th October our community will welcome many visitors to the region. Some of our children will feature in a dance item on the day and have the opportunity to enter some of their work across the broad range of categories. Our Governing Council is planning their major fundraiser for the year, the annual barbeque stall. This features delicious bacon and egg sandwiches and the obligatory snag in bread! Proceeds from this event subsidises swimming costs for all our school families and contributes to improvements for all students at the school. Next week we will put out a roster for assistance on our stall. If you (or someone representing your family) can't make your allocated time, please let the school know.

A reminder our morning duty teacher commences at 8:25am, when the bus arrives. Other students aren't to arrive at school before this time. Thanks for your cooperation with this.

Our Upper Primary Class have been part of the Fresh Frenzy program with Bianca. They have been looking at items they can include in their lunch boxes that are healthier and use less packaging. We can extend this thinking to our very popular 'Cally Eats' lunch heating on Tuesdays, Wednesdays and Thursdays. Some ideas worth a try in a foil tray could be spaghetti Bolognese, healthy 'door stop' pizzas or fried rice. If your child has a healthy lunch option worth sharing, (the idea not the food!) please encourage them to let us know and we can include a photo here.

If you would like to discuss any matter regarding your child's education, please make an appointment through the office or send me an email

HELLO FROM JEANETTE!

(Pastoral Care Worker)

Each person is special and unique and has things to offer that no one else can do in just the same way. Denzel Washington said "you never know how or when you'll have an impact, or how important your example can be to someone else."

Enjoy who you are and the difference you can make.

Bread making @ Callington Kindy.. It's a Bakers Delight!

Learning together as a community is an essential part of helping to create a sense of belonging. Our weekly bread making session aims to achieve this as well as supporting the development of fine motor skills, literacy and numeracy concepts. This group learning is a key component towards developing school readiness skills, for example sitting at the table, listening and following instructions.

Reminders:

Playgroup is currently running on Friday's from 9am –11:00am

Last day of term for Kindy will be 25th September 2019. NO KINDY Thurs 26th September.
