## Week 2 Term 4 2019 NEWSLETTER

### Principal's Report

Our final Student Free Day for the year has been supported by our Governing Council. **Friday 29<sup>th</sup> November** is the date scheduled for this. This date is included in our term planner, which you'll find with today's newsletter. Please keep it handy and updated as the busy term progresses.

Swimming lessons commence on Monday 18<sup>th</sup> November. Please assist our administration staff by returning all consents and payment at your earliest convenience. Let's hope we have some nice warm weather like we've had for most of this week!

Breakfast Club is a popular way to start Monday and Wednesday mornings. Jeanette always greets the children with a smile and of course toast, cereal and fruit juice. To ensure this remains a positive addition to our school day, we ask that if your child is planning on accessing Breakfast Club, they arrive at school before 8:40am. This will give the children adequate time to finish their breakfast before heading to class and be ready for learning.

Some students are still without a labelled school hat. Please check your child has one. These are available for purchase from the office. Bucket hats are \$6 and Surf Hats are \$8. It is also a good idea for children to apply sunscreen before school. Sunscreen is available at the school for reapplication also.

We have had some visitors at the school recently. Andrew Leane completed his first year teaching practicum in our year 5/6/7 class this week. Meanwhile, Ayesha Jansen is one week into a three week placement with our R/1/2 class. We wish these two young educators all the best with their teaching career.

One of our treasured volunteers celebrated her 90<sup>th</sup> Birthday recently. Esther Mills was a student here, was a teacher here and now volunteers regularly hearing reading. On behalf of the Callington Primary School community we wish her Happy Birthday and thank her for her ongoing contribution to our school over many years.

We are receiving many enquiries regarding enrolments for 2020. We anticipate an enrolment around 70 across our three classes. Final staffing arrangements and class structure will be communicated as the term progresses.

Look forward to seeing you at the Callington Show. We will have involvement in the Sci-Tech Spectacular marquee, a dance item and of course at the barbecue!

If you would like to discuss any matter regarding your child's education, please send me an email [Paul.Jude460@schools.sa.edu.au](mailto:Paul.Jude460@schools.sa.edu.au) or make an appointment through the front office.

Regards,  
Paul

# HELLO FROM JEANETTE!

(Pastoral Care Worker)

Here we are in Term 4 already! This term I will be working with classes using aspects relating to "The Wellbeing Classroom", with a particular emphasis on Resilience, Kindness and Empathy. From time to time I will send home information relating to what we have spoken about in class.

As part of developing empathy we (as a school) will be collecting BREAD TAGS FOR WHEELCHAIRS. Bread Tags for Wheelchairs has been recycling bread tags in South Africa since 2006. (see notice below). I wonder how many we can collect!!! We've already started at Breakfast Club. Bread tags can be dropped into the box at the front office or given to me.

Have a great Term 4
