Newsletter Term 3 Week 10, 2022

Principal's report

Milk Bottle Regatta – Our Upper Primary students will once again take part in the Milang Milk Bottle Regatta at the end of the year. This will involve designing, making and racing their boat against other schools in the area. We are requesting that you please start to save your washed 2L and 3L plastic milk bottles for this event! They can be sent into the school any time from now. Thanks in anticipation.

Callington Show stall – We are still in need of some volunteers for the Bacon & Egg sandwich stall at the Callington Show. If you are planning on attending the show and can spare some time, please let us know. Many hands make light work and all the funds support our school!

Toys— Many children are bringing toys to school. Whilst doing this may be exciting for them, it often creates problems at school. Often things get broken, go missing or they become distractions in the classroom. Please assist staff by not allowing these items to come to school. Thanks in advance!

Holidays—Term 4 will be a sprint to the finish with camp, Callington Show, concert, swimming lessons, colour explosion run, milk bottle regatta, new reception transition and more! Until then, we wish the children a restful break and hoping families have a chance to enjoy some relaxing time together.

Concert reschedule - A reminder that due to extensive absences across the school this term, the school concert, *Hoodwinked*, will be delayed and is now scheduled for next term, Tuesday 15th and Wednesday 16th November. Students will need to attend both concerts, but the intention is that family members choose one concert to attend, to support our effort to maintain comfortable audience numbers in the Callington Hall. Our guide is that families of the Reception and Year 1/2 class attend the first concert and students in the other classes attend the second one. Early next term we will be sending an invitation out, but now might be a good time to notify grandparents, uncles, aunties and more of these dates.

Concert 1 - Tuesday 15th November – Students arrive 5pm
– Show starts at 5:30pm

Concert 2 - Wednesday 16th November – Students arrive 5:30pm – Show starts at 6:00pm

Reminder - Diary Dates -Term 4 – Term 4 will start for students on **Tuesday 18th October**. Our staff have a training day at Uraidla Primary School on Monday 17th October. With our Arbury Park Camp for Year 2-6 students 19-21 October, it will be a bit of a different start to a term! A reminder also that we have our School Closure Day on Monday 31st October (the day after the Callington Show) and the last student free day for the year on Friday 2nd December.

If you would like to discuss any matter regarding your child's education, please send me an email, or contact Sarah/Kate in the office to make an appointment.

Kind regards,
Paul Jude
Principal
Paul.Jude460@schools.sa.edu.au

Hello from Jeanette! (Pastoral Care Worker)

Hello from Jeanette!

Here we are at the end of another term. It's hard to believe that it is nearly October and there is Christmas merchandise appearing in shops!

I hope you and your family enjoy the school holidays and a change of routine for a couple of weeks!

The topic I am writing about this week is "Empathy".

Empathy is being able to understand how someone else is feeling, even if we aren't in the same situation as them. It's being able to see something from someone else's perspective and being able to "put ourselves in someone else's shoes".

It's feeling with someone else and seeing their view of things.

When you have empathy it helps you build positive relationships with others because you understand and can relate to them. It enables you to see how your actions can affect others.

You can build your ability to be empathetic by

1. Understanding what empathy is and valuing it
2. Developing skills in reading other people's facial expressions, tone of voice and body language
3. Practicing what it feels like to put yourself in someone else's situation.

Until next time,
Warmly Jeanette Mann (Pastoral Care Worker)

Hahndorf Farm Barn Excursion

The Reception and Year 1/2 classes visited the Hahndorf Farm Barn on Wednesday 14th September. The students were immersed in an educational and "hands on" approach to learning about life on the farm. The students bottle-fed the baby lambs and goats, held chicks and fed carrots to rabbits and guinea pigs. Students watched the 'Daisy the cow show' and had a go at hand milking a cow.

Next, students fed the kangaroos, emus, ostriches, deer, miniature ponies, donkeys, and the camel. After lunch students watched a wildlife & reptile show where they got up close and personal with the lizards and python.
