Newsletter Term 4 Week 2, 2022

Principal's report

Welcome back & Term 4 reminders - Welcome to the sprint to the finish line! We have many exciting things planned for this term as well as our everyday classroom learning. A reminder we have our School Closure Day on **Monday 31st October** (the day after the Callington Show) and the last student free day for the year on **Friday 2nd December**. Please keep your Term 4 planner handy to stay in the loop!

Camp- We were fortunate to have perfect weather for our camp. The children had a wonderful time at Arbury Park, learning a variety of different things about the environment and working together. The food was sensational and the children's behaviour was even better! There needed to be a minimum of 50 students at the camp, so our children joined with Manoora Primary School's 17 students for the camp. Staff at Arbury Park commented many times on the way the children worked together with new people and displayed good manners. I'm sure the children were exhausted after three fun-filled days of activities and adventure. The memories that were made and the skills developed with independence will last for many years!

Berry Street Education Model (BSEM) - Our staff have been undertaking Professional Development in the Berry Street Education Model this year. It is something we are already seeing the benefits of with our students. Focusing on relationships, emotional regulation, brain breaks, predictable structures and genuine care/safety are just some of the ways we are embedding this approach. An aspect families can use outside of school is to focus on Character Strengths. There are 24 of them! They are a valuable pathway to develop nurturing and enriching relationships. Finding meaning and value in those strengths develops respect. What are your character strengths? What are you child's? **Take the free survey to find out! viacharacter.org**

Milk Bottle Regatta – A reminder our Upper Primary students will once again take part in the Milang Milk Bottle Regatta at the end of the year. This will involve designing, making and racing their boat against other schools in the area. We are requesting that you please start to save your washed 2L and 3L plastic milk bottles (and lids!) for this event! They can be sent into the school any time from now. Thanks in anticipation.

Concert reschedule - A reminder that due to extensive absences across the school this term, the school concert, *Hoodwinked*, will be delayed and is now scheduled for Tuesday 15th and Wednesday 16th November. Students will need to attend both concerts, but the intention is that family members choose one concert to attend, to support our effort to maintain comfortable audience numbers in the Callington Hall. Our guide is that families of the Reception and Year 1/2 class attend the first concert and families of students in the other classes attend the second one. Please find your invitation enclosed. Please share with extended family and RSVP to the office so we can plan accordingly.

Concert 1 - Tuesday 15th November – Students arrive 5pm
– Show starts at 5:30pm

Concert 2 - Wednesday 16th November – Students arrive 5:30pm
– Show starts at 6:00pm

If you would like to discuss any matter regarding your child's education, please send me an email, or contact Sarah/Kate in the office to make an appointment.

Kind regards,
Paul Jude
Principal

Hello from Jeanette! (Pastoral Care Worker)

Hello from Jeanette!

Here we are in Term 4 with lots of exciting things happening!

I hope you had an enjoyable holiday time and that you were able to have a change from your usual school routine and enjoy some quality time with your children.

Breakfast Club will continue as in past terms on Monday and Wednesday mornings from 8:30am – 8:50am. Thankyou for having your children at school early enough so they can enjoy this time.

At recess time on Mondays I run some activities outside. We call it DDI Outside (“Do Drop In Outside”). There are some giant games, bubble blowing, throwing and catching games, chalk drawing and numerous other activities. This is enjoyed by many of the students.

At lunch time, on Wednesday I run DDI (Do Drop In) which gives the children opportunities to be creative by making things or drawing; participating in the craft of the week or playing indoor games. This also is a popular place to be – especially on colder days!

You will also find me in the Year 2-3 class or the Reception class on Wednesdays leading a well-being session or in the other classes assisting where I can.

I hope Term 4 is a positive one for you and your child(ren).

Until next time,
Warmly Jeanette Mann (Pastoral Care Worker)

Upper Primary Class Excursion to Adelaide

At the end of term 3 the year 4/5/6 class travelled to Adelaide to visit the Botanic Gardens on North Terrace. The students used the Adelaide Metro timetable to determine the bus they needed to catch from Mount Barker to Adelaide and when they arrived in Adelaide they split into groups using maps to navigate their way to the Botanic Gardens. The weather was warm and sunny and the gardens were filled with beautiful flowers and fauna such as bees, birds and lizards. Students used their digital photography skills to take an interesting mix of photos using the school iPads. You can view some of their stunning pictures in the photography section of the Callington Show.

Meeting Ellisa from Manoora School—Tina

Meeting Claude the cockatoo—Jake

The web of life game—Ila

The food was the best—Zac
