Newsletter Term 4 Week 4, 2022

Principal's report

Callington Show- Despite inclement weather, our barbeque stall was still a success! Most of our sales happened before midday, when the rain started. We raised just over \$2000 for the school. Many thanks to all the local businesses who supported the stall with generous donations. A list of these are in today's newsletter. Please support the businesses who support us! A big thankyou to Sam Pitt and the fundraising committee for coordinating the organisation before, during and after the event. Thanks also to the school families and staff who gave up an hour (or more) of their time to assist with serving or cooking. It is greatly appreciated! Many of our students had pieces of work entered in the show. Ribbon recipients were acknowledged at today's assembly. Congratulations on all your achievements! We are fortunate to have such a popular and well organised show in our community. Hopefully we will get better weather next year!

Concert - Looking forward to seeing our school families at the Callington Hall for our Hoodwinked concerts next week! A reminder that students **need to attend both concerts**, but the intention is that family members choose one concert to attend, to support our effort to maintain comfortable audience numbers in the Callington Hall. There will be lucky squares for sale, so please bring along some change!

Concert 1 - Tuesday 15th November – Students arrive 5pm – Show starts at 5:30pm

Concert 2 - Wednesday 16th November – Students arrive 5:30pm – Show starts at 6:00pm

Milk Bottle Regatta – A reminder our Upper Primary students will once again take part in the Milang Milk Bottle Regatta later this term. This will involve designing, making and racing their boat against other schools in the area. We are requesting that you please start to save your washed 2L and 3L plastic milk bottles for this event! They can be sent into the school any time. Thanks in anticipation.

Classes 2023 – I'm delighted to announce that our plan is to offer 4 classes again in 2023. All children benefit from these smaller classes and we have seen proof of that with student progress this year. Teachers of the 4 classes are not yet confirmed. The class structure will be a Reception class, Year 1/2, Year 2/3 and Year 4/5/6 class. As you can see, our Year 2s are split across two classes. Consultation with Year 2 student families began today. Our anticipated enrolment is 73, but we are receiving more enquiries as a result of the OSHC commencement, so the numbers may change again! Another staffing consideration is our Autism Inclusion Teacher. All South Australian Department for Education schools will have one of these as of next year. I'll announce who that will be as other staffing 'pieces of the puzzle' come together. I'm confident all of our student's learning will be developed and supported by a dynamic and dedicated staff team again in 2023.

If you would like to discuss any matter regarding your child's education, please send me an email, or contact Sarah/Kate in the office to make an appointment.

Kind regards,
Paul Jude
Principal
Paul.Jude460@schools.sa.edu.au

Thank you to these businesses that supported our stall

Please support the businesses that support our school

Hello from Jeanette! (Pastoral Care Worker)

Hello from Jeanette!

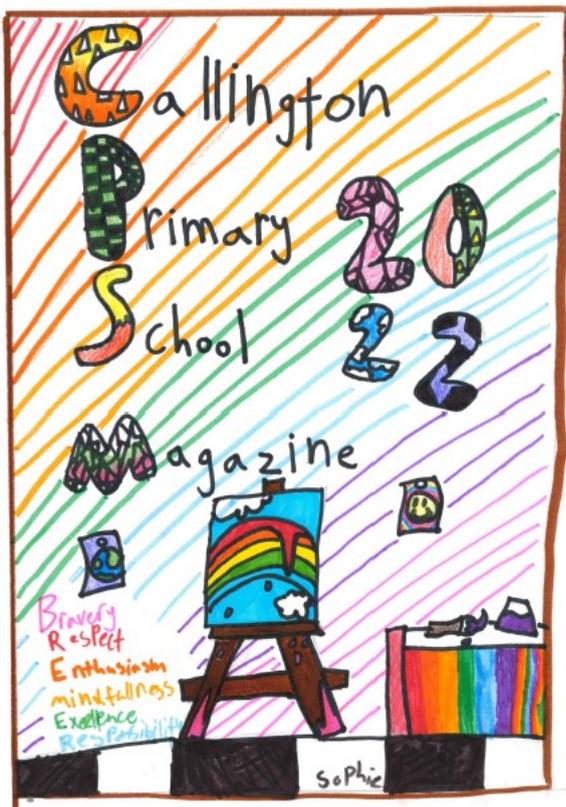

How are you finding the hot weather? Some people love it and others enjoy the cooler days much more!

This actually links in with the topic that I have been exploring in some of the Well Being classes – “diversity”. There are some things that are common to all people like the need for food, water, shelter and love. As the Reception class highlighted – we each have unique DNA and a unique fingerprint, so there are no two people the same. All people experience to a greater or lesser extent joy and pain, but there are also differences between people too and that’s where we get diversity.

Diversity activities teach children to respect and celebrate the differences in all people. Learning about how someone else thinks and feels can give a greater appreciation and understanding of what life is like for someone else. It also helps them realise that we’re all humans, despite differences in how we look or dress, or what we eat or celebrate.

Looking forward to seeing some of you at the concert next week!

Until next time,
Warmly Jeanette Mann (Pastoral Care Worker)

2022 Callington Primary School Magazine

Once again the staff have been busy preparing pages for our school magazine. This is a snapshot of the 2022 year for all students, which includes class photos, camp, excursions, swimming, concert, class pages just to name a few. A copy of last year’s magazine will be in the office if you would like to have a look. They make great gifts and your child will look back on it in years to come. The magazines will be sold for **\$10** each. If you wish to place an order please return the reply slip with payment by Friday 18th November. Payments can be made by cash or via QKR.

Magazines will be made to order and the school will not have a supply of spares.

Please note that Year 6 students will receive a complimentary copy as part of their graduation gift.

Dates to Remember

Term 4

15/11 - Concert at 5:30pm

Come and Try

Summer is just around the corner !!!

If you are a swimmer that has not yet been a member of a competition swimming club in Australia, then a trial membership is for you.

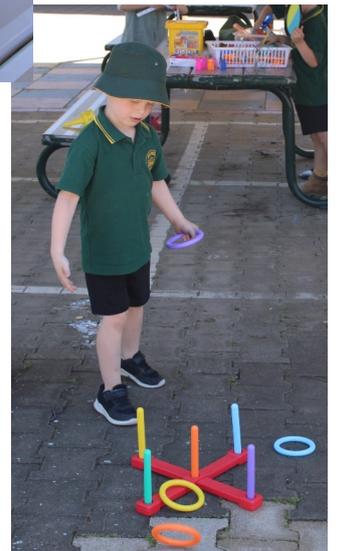

A trial membership allows you to try out with our club for 1 month at no cost, while being properly registered and insured with our governing body Swimming SA.

For further information visit our website or scan the QR Code- https://mountainpoolswimmingclub.com.au/trial-membership/

RECESS TIME ACTIVITIES

The sunshine was out and we welcomed the Reception students of 2023 for their first transition visit. Here are some happy snaps .

Bravery - Respect - Excellence - Mindfulness - Enthusiasm - Responsibility
