Newsletter Term 3 Week 2, 2022

Principal's report

Interviews- Our Term 3 interviews occurred this week. It was great to see Parents/Carers taking the opportunity to meet with teachers to discuss the Semester One reports. Developing shared goals at school, coupled with support from home can have a profound impact on academic progress. We value this partnership immensely.

OSHC update and survey- Work continues behind the scenes to bring back an Out of School Hours Care service at our school. This is quite a process and there is still no guarantee of a service, but there has been a development. MyOSHC have expressed interest in offering a service, if it is feasible. A survey occurred last year, but this data is somewhat dated, so MyOSHC have requested we conduct a survey again. All families (including Kindergarten families) should have received an email with a link to an OSHC survey this week. If you haven't received this for some reason, please contact the school office. Please complete one response per family. It is envisaged that if it is to go ahead, the service would be available after school and in school holidays, and open to Kindergarten students as well as school students. **We will close the survey COB Friday 12th August.** Please encourage other school/Kindergarten families to get their response in so we have an accurate reflection of the needs in our community. Once again, thanks for your patience with this. I understand this is in demand.

Reminder of Term 4 Student Free Days / School Closure -

A reminder our Governing Council members have approved these dates for the remainder of the year. As you can see there is no student free day in Term 3, but one very early Term 4.

Monday 17th October - Week 1 Term 4 – Student Free Day -
Final Berry Street Staff training day
Monday 31st October - Week 3 Term 4 - School Closure Day
- Day after Callington Show
Friday 2nd December - Week 7 Term 4 - Student Free Day –
Staff Professional Development

Major IT upgrade ahead – Later this term we will be having major upgrades to our school IT network. This will also include trenching (earthwork) for new network cables. Unfortunately there will be some unavoidable disruptions, including possible restrictions to entry points to the school. I'll keep you informed as the work gets closer.

Camp / Reception & 1-2 excursion / Planner / NCCD –

Information about these are included with the newsletter. If you have any questions about any of them, please ask.

If you would like to discuss any matter regarding your child's education, please send me an email or make an appointment through Sarah/Kate in the school office.

Kind regards,
Paul Jude

Birthday

Hello from Jeanette! (Pastoral Care Worker)

Welcome to Week 2 Term 3.

The Children in Reception are continuing to learn about the Kimochi feelings this term.

To start off we are looking at the group of feelings called the Protective Three. Included in this group are the feelings Hopeful, Grateful and Brave. These feelings help us to hold on in difficult times and to look forward optimistically and to be thankful for the positives in our lives.

- Children can use a secret signal of holding 3 fingers to their chest to remind themselves to bring on their Brave, Grateful and Hopeful feelings when they have forgotten this.

- Life can be goodbut sometimes it is hard and challenging. This strategy can help to focus on the positive rather than getting stuck in the negative.

- To remind the children of this, each child will receive the Kimochi feeling pillows of the Protective Three on a key change clip. They will be bringing them home next week. Other students have received them previously. New students in other year levels will also receive them.

Well that's about all for now. Remember: Breakfast Club is on Mondays & Wednesdays.

let's talk about...

Murray Bridge Wellbeing Hub Survey

Public Consultation

This is a joint project between The Rural City of Murray Bridge and Wellbeing SA. The concept of a Wellbeing Hub in Murray Bridge where people can participate in wellbeing, art, cultural and educational activities to live happier and healthier lives, is being investigated by Council in partnership with Wellbeing SA. Community members, organisations, groups and businesses are being asked to provide feedback through a survey to identify local wellbeing initiatives and ideas to increase community wellbeing.

Complete the survey online at letstalk.murraybridge.sa.gov.au

Paper copies of the survey are available at:

- Murray Bridge Library, Level 2, Murray Bridge Marketplace, 51 South Terrace, Murray Bridge
- Local Government Centre, 2 Seventh Street, Murray Bridge

Written comments should be addressed to:
