Newsletter Term 4 Week 7, 2022

Principal's report

Concert – It was fantastic to see the Callington Hall full for two concerts in week 5. The children looked brilliant as they performed Hoodwinked. Our talented Performing Arts teacher, Catherine Bruce had prepared the children beautifully in handmade costumes. The children's smiles were huge as they spotted family and friends in the audience. It was great to have concert back after a break due to Covid-19 in 2020 and 2021. We all hope you enjoyed the show!

Classes 2023 – I can confirm we will be offering 4 classes again in 2023. Teachers of the 4 classes will be as follows....

Reception class – Ms. Hoad

Year 1/2 – Mrs Beurskens

Year 2/3 – Ms. Bajszki / Ms. Bruce

Year 4/5/6 - Mrs. Jolley

Performing Arts/ Cultural Studies / Autism Inclusion
Teacher – Ms. Bruce

STEM / Technologies / PE & Health – Mr. Ratcliff

I'm confident all of our student's learning will be developed and supported by these dynamic and dedicated teachers again in 2023. Our teachers will once again be supported by our awesome SSO team of Sarah, Kate, Elisha, Jill and Adam. Jeanette will continue as our CPSW and Paul as our Groundsperson.

OSHC – We had many families represented at our OSHC registration/information session earlier this week. Check out the website myoshc.net.au/callington-my-oshc/ to register for this 2023, after school service.

Final Assembly – Our last assembly will be at 9:00am at the Callington Hall on Friday 16th December. At this assembly we will farewell our Year 6 graduates and present the end of year awards. Hope to see you there!

If you would like to discuss any matter regarding your child's education, please send me an email, or contact Sarah/Kate in the office to make an appointment.

Kind regards,

Paul Jude

Hello from Jeanette! (Pastoral Care Worker)

Hello from Jeanette!

In my article today I will refer to a post made by Jill Mills entitled "How to Raise Mentally Strong Kids". This is especially important so that children can cope with the challenges life throws at them and learn strategies for coping with these challenges. The points that Jill identified were

1. Get Rid of Victim Mentality (Teach them failing at something is part of life and that this can lead to learning new things.)
2. Don't let guilt control your choices or actions. You can still make wise and good decisions.
3. Don't allow fear to govern choices. Show bravery and confidence rather than acting out of fear.
4. Show them the world. Teach them to give rather than always taking or expecting things.
5. Family set up. Show them they are not in control of everything that goes on in the family. Let them know you are the parent and the one who ultimately needs to make the final choice.
6. Don't avoid teaching them responsibility. It may seem easier to do things yourself but they need to learn to take responsibility for their own things.
7. Don't expect perfection. Help them learn to bounce back when things don't go exactly as they want.
8. Don't shield them from pain. Help them learn to manage negative emotions.
9. Teach that there are consequences for actions.
10. Teach emotions. Help them learn to regulate their emotions.
11. Discipline vs. punishment. Discipline helps them learn what to do better in the future by making good choices.
12. Make priorities, teaching children to recognise what needs to be done first.
13. Don't take short cuts. Teach that patience and taking time pays off in the long run.
14. Teach realistic thinking and help children see what is true or not true.
15. Engage with Problem Solving. Talk about problems together, and discuss several possible solutions.

Please feel free to talk with me about any of the above or read the article in full at

SWIMMING LESSONS 2022

COLOUR EXPLOSION

HOODWINKED

A SWASHBUCKLING ROBIN HOOD MUSICAL!

What an amazing couple of nights! The students certainly showcased their singing, dancing and acting talents over both nights of the concert. They made us all proud of their hard work and many hearts were bursting with joy! Well done to those students showcasing Bravery by singing solo parts and continuing to portray their roles despite some unexpected challenges coming their way!

We were transported back in time to Ye Olde Sherwood Forest and Nottingham Towne and glimpsed the lives of Robin Hood and his merry men; Maid Marian and her ladies; and of course, the evil Sheriff of Nottingham! Congratulations to the two older classes for their portrayal of the main characters and to the Year 1-2 students for their roles as Little Friars and minor characters. A special note of praise goes to the Reception students for their first ever performances as the Merry Men in training and the Maypole Dancers! We are very fortunate to have such willing and talented performers at Callington Primary School!
